## THE NOLAN GROUP IN JOINT-VENTURE WITH THE VAZ GROUP FOR THE BRAZILIAN MARKET

In 2011, the Nolan Group - founded in 1972 and currently European leader in production of motorcycle helmets with the brands X-LITE, NOLAN and GREX - is getting ready to enter the Brazilian market in a joint-venture with the Vaz Group from Sao Paulo, whose owners, the Zezze family, are of Italian origin. The Nolan Group's brand appeal, history, technology and great image, supported by two MotoGP World... [\(continue\)](#)

## The Nolan Philosophy

Great companies are born out of great passions. Nolan® has always meant "passion for Two Wheels". The history of Nolan® began in 1972 when Lander Nocchi, an entrepreneur in the motorbike and car accessories sector, decided to produce motorcycle helmets that could be lighter and more affordable than those on the market at the time. ## Made in Nolan

All the stages in the production cycle are managed within the Company: from the receipt of raw materials to testing the products and their eventual packaging. This is how constant evolution of production technology is ensured, together with an appropriate and thoughtful customer service and the highest quality standards. [\(more\)](#)

## Safety & Quality

Safety: the first and foremost target inspiring every single product by the Nolan Group. This concept is placed before all other considerations, be they aesthetic, technical and economic. An internal laboratory, recognised and certified by the Italian Ministry of Transport, ensures that regulatory compliance testing is carried out. [\(continue\)](#)
